Dear Mr. and Mrs. Bonack:

Thank you for your visit to the Diocese of Green Bay a few weeks ago. I enjoyed learning about the Living Rosary Apostolate and the work you do to promote it.

After speaking with Bishop Ricken, you are welcome to come to the parishes, schools and other Catholic entities throughout the Diocese of Green Bay to promote the Apostolate. Please work closely with the pastors, principals and other leaders to find the most appropriate way for this devotion to be fostered.

May God Bless You in your work to promote the Holy Rosary and in bringing souls closer to Jesus Christ!

In Christ,

Very Rev. John W. Girotti  
Vicar for Canonical Services  
Associate Moderator of the Curia
