To Whom It May Concern:

This letter is in recognition and gratitude to **Mr. Frank Bonack** who was in our parishes this past weekend. He is involved in the Ministry of Our Lady's Living Rosary. It was a blessing to have him in this beautiful ministry. He worked so hard to invite more people to be part of this Marian Ministry; I do recommend Mr. Bonack who has so much love for the church and willing to work for catholic community.

I commend my prayers to This Marian Ministry. For all they do for the Church and community.

God bless you!
