Dear Mr. and Mrs. Bonack,

I am writing regarding your letter to Bishop Olmsted dated February 14, 2020. He received your letter and asked me to respond.

Thank you for sharing the details of the Living Rosary Apostolate. This beautiful devotion seems to be a powerful aid to the spiritual growth of the people of God. The privilege of Our lady to draw hearts into the life of her Son and His saving message is a true gift in our modern and challenging world. I am grateful for your service in this way.

Be assured of Bishop Olmsted's prayer as you continue to work in this wonderful ministry. Please, keep him and our work in the Diocese of Phoenix in your prayers, that the Lord may produce great fruit through His manifold graces.

Sincerely yours in Christ,

Rev. Kevin Grimditch
Priest Assistant to the Bishop
